Hi Leslie,

I need to bring up the issue of an Inter-Governmental Agreement with the VA Hospital for the City of Helena's Pre-Treatment Program. In reviewing the 2017 Audit Report, Finding and Corrective Actions for Item 3, I found that EPA is also requesting an IGA with the Hospital, in addition to, the Military Base as solely referenced in the subsequent LOV. Please review the attached documents and let me know if you have any questions or concerns with execution of the attached Draft IGA.

Thank you,

Subject: City of Helena Pre-treatment Program - Inter-Governmental Agreement (IGA)

Hi Leslie,

I am following up on our conversation this morning regarding the City's Pre-Treatment Program and the need for us to enter into an IGA. Attached is an approved IGA that has been requested and reviewed by EPA under the Pre-Treatment rules. I have also attached a letter from EPA to the City of Helena where under item No. 3 in the letter, some background is provided and EPA requests execution of the IGA.

Please review the IGA and execute or contact me if you have any questions or concerns.

Thank you,
